**FAITHFUL LOVE**

**Fruitful Love**

## AUTHENTIC LOVE

True Love is not what popular culture leads us to believe it is. True *Authentic* Love is a *total gift of self that is life-long and life-giving*.

**FREE** Authentic love is freely given for the good of another. It is not free in the sense of freedom from commitment - “no strings attached.” But it is free from coercion, game-playing and manipulation. It is unconditional.

**TOTAL** Authentic love is a total gift of self —100% for the good of another. Authentic love doesn’t see people as objects to be used or consumed but cherishes the whole person.

**FAITHFUL** Authentic love is faithful, committed, unending. It has as its focus goodness and truth and leads self and others on a life-long journey toward God.

**Fruitful** Authentic love is life-giving. It is the core of the family, resulting in the creation of life and fostering of growth and development.

*Let love be sincere; hate what is evil; hold on to what is good; love one another with mutual affection; anticipate one another in showing honor.*

Romans 12:9-10
