

Created in God's Image Ornament

STEP 1

Cut out a "God Made Me" shape, leaving the blue line on the shape.

STEP 2

Write a statement about what it means to be created in God's Image (e.g. Everyone has value, everyone is special, everyone deserves respect, we should love one another....) You can add your first name if you'd like.

STEP 3

Glue the shape to a snowflake ornament. Make sure that the ornament hanger is on top and the words are right side up. Set something heavy (like a book) on top of the ornament until the glue dries.
