

We are
All
uniquely and
specially created.

Like snowflakes,
no two people are

Yet we are all
created in God's

All precious,
All special,
All deserving of
dignity and respect.

Created in God's image, we are all deserving of dignity and respect.

Sometimes we get caught up in the notion that others must earn our respect. Instead of treating others how we would want to be treated, we treat others the way they treat us.

How different our world would be if we all recognized the image of God in others and treated everyone with the dignity and respect consistent with their unique and special creation.
